8th International Conference on Computational Systems and Information Technology for Sustainable Solutions [CSITSS-2024]

Date: 7th to 9th November 2024

Venue: RVCE, Bengaluru

Conference Website: <https://csitss.ieee-rvce.org/>

Call for papers for International Conference on Computational Systems and Information Technology for Sustainable Solutions [CSITSS-2024]

CSITSS-2024, IEEE 8th International Conference Computational Systems and Information Technology for Sustainable Solutions [CSITSS-2024] is a continuing Conference jointly organized by RVCE. CSITSS-2024 focusses to bring together leading academicians, scientists, researchers, industry representatives, research scholars and post-doctoral fellows around the world to share their knowledge and research expertise in Smart Technologies for a Sustainable World.

The aim of the Conference is to achieve higher standards by attracting original research works in the domain of Robotics and Automation, Artificial Intelligence, Renewable Energy, Biomedical Electronics, Quantum Computing. Renowned speakers will deliver keynote talks on the latest technologies in these domains. The CSITSS-2024 ensures to provide a platform for researchers around the globe for knowledge exchange and networking.

CSITSS-2024 invites industry professionals and academics to submit abstract/paper for presenting their work/research in the following and related fields.

- Computational Analysis of Structural and Functional Materials
- Autonomous Vehicles Navigation and Control Systems
- Green Electronics: Sustainable Practices
- Robotics and Automation
- Photonics, Optoelectronics and Mechatronics System
- Artificial Intelligence for Sustainable World
- Digital Transformation in Various Sectors of Economy
- Renewable Energy and Environmental Engineering
- Cyber-Physical Systems
- Biomedical Electronics and Healthcare Applications
- Quantum Mechanics and Computing
- Next-Generation Communication Systems
